

2026 SDSU Student Symposium (S^3)

A.I. & Robotics in Autonomy

2026 S^3 Special Session

The A.I. & Robotics in Autonomy special session invites innovative research on Artificial Intelligence and robotics that drive the next generation of autonomous aerial, ground, and marine systems.

Showcase your research and compete for cash awards in this interdisciplinary session!

Who can participate?

Open to all undergraduate and graduate students working in related fields.

Important Dates:

- [Presenter Registration:](#)
Dec. 11, 2025
- Symposium: **Feb. 27, 2026**

Organizers: Jun Chen (jun.chen@sdsu.edu), Junfei Xie (jxie4@sdsu.edu)
Hosted by the NSF ExpandAI Project Team: <https://expandai.sdsu.edu/>
